### Description

This 2022 Audi A1 TFSI Sport is a standout example, boasting exceptionally low mileage for its age at just 23,023 miles and having had only one owner from new. This Euro 6 compliant model features a responsive 1.0 litre petrol engine and comes with the assurance of Audi manufacturer approval, offering peace of mind for its next owner. The Sport trim level ensures a well equipped and stylish driving experience. The generous boot space is a notable highlight, offering practicality for everyday use and longer journeys alike. This particular A1 stands out from others due to its excellent provenance, including its single ownership and minimal mileage, suggesting it has been well cared for. Its Euro 6 emissions rating also means it meets current environmental standards.
