Description

Discover this exceptional 2022 Audi A1 TFSI S line, boasting incredibly low mileage for its age at just 21,375 miles, and having been cherished by only one owner. This Euro 6 compliant model is powered by an efficient 1.0 litre petrol engine, offering a refined driving experience. As an Audi manufacturer approved vehicle, it comes with the reassurance of a 12 month warranty, ensuring peace of mind for its next owner. The S line trim level enhances the already stylish A1, and you'll appreciate the generous boot space, perfect for everyday practicality and weekend getaways. This particular A1 stands out due to its excellent condition and low mileage, indicating it has been well cared for and driven sparingly. These factors, combined with its Audi heritage and S line specification, make it a compelling choice for those seeking quality and style in a compact car.
