Interior Trim	N/A
Fuel Consumption	62.8 milesPerGallon

Description

This 2017 Audi A3 TDI Black Edition offers exceptional value with its remarkably low mileage of just 48,494 miles, a significant advantage for a vehicle of its age. This particular A3 is powered by an efficient 2.0 litre diesel engine, meeting Euro 6 emission standards, and comes with a 12 month warranty for your peace of mind. It has been owned by only two previous keepers and features striking LED headlights with dynamic rear indicators, enhancing both visibility and the car's modern aesthetic. You will appreciate the impressive fuel economy of this Audi A3, achieving an outstanding 63 miles per gallon, which is considerably better than many other vehicles in its class. Furthermore, its low CO2 emissions and placement within a low insurance group contribute to lower running costs, making it an economical choice for everyday driving. This combination of efficiency, low ownership, and desirable features makes this A3 TDI Black Edition a standout option.
