Description

This 2023 Audi A1 TFSI Technik is a standout choice, boasting exceptionally low mileage for its age, having covered just 8206 miles. As an Audi manufacturer approved vehicle, it comes with the assurance of quality and care. This particular model is a 1.0 litre petrol, meeting Euro 6 emission standards, and has had only one owner since new. Inside, you'll find manual air conditioning to keep you comfortable in all conditions, and it also offers a surprisingly large boot space, making it practical for everyday use and weekend adventures alike. The Technik trim level ensures a well equipped and enjoyable driving experience. The combination of its minimal mileage and single owner history indicates a vehicle that has been meticulously looked after, setting it apart from others on the market. This Audi A1 is a superb example of a compact yet versatile car, offering the premium feel and engineering expected from Audi, all within a stylish and efficient package.
