Description

This 2019 Audi A3 TFSI S line is a standout choice for those seeking a reliable vehicle, as it is an Audi manufacturer approved car that comes with the added peace of mind of a 12 month warranty. With a very low mileage of 42,128 miles for its age, this petrol model is compliant with Euro 6 emission standards, making it a practical option for modern driving. The S line trim enhances the overall aesthetic and comfort, while the inclusion of privacy glass adds a touch of refinement to the exterior. The 1.5 litre engine provides a responsive driving experience, capable of accelerating from 0 to 62mph in 8.2 seconds, which offers a balanced blend of performance and efficiency. Beyond its agility on the road, the vehicle is designed with practicality in mind, featuring a large boot space that provides ample room for luggage or shopping. These combined attributes make this A3 a well rounded option for drivers who value a mix of performance, utility, and the assurance of manufacturer approval.
