Description

Available at Dundee Audi. This 2022 Audi A1 TFSI Technik offers the peace of mind that comes with having had only one owner from new. As an Audi manufacturer approved vehicle, this hatchback comes with a 12 month warranty, ensuring quality and reliability for its next driver. The car has covered 24,024 miles, which is a low mileage for its age, and it is powered by a 1.0 litre petrol engine that meets Euro 6 emission standards. The Technik trim provides a comfortable and well-equipped interior, making it a practical choice for those seeking a refined driving experience. The vehicle stands out for its balance of efficiency and performance, achieving an impressive 53 mpg and low CO2 emissions, which helps to keep running costs manageable. Despite its compact size, the A1 is designed with a large boot space, offering plenty of room for luggage or shopping. With the ability to accelerate from 0 to 62 mph in 10.5 seconds, it provides a responsive drive that is well suited to both city streets and longer journeys. These combined features make this Audi a highly capable and economical option in the small car market.

35 Harbour Road, Inverness, United Kingdom, IV1 1UA
