Description

This 2019 Audi Q2 TFSI Black Edition offers the peace of mind that comes with being an Audi manufacturer approved vehicle. This compact SUV is powered by a 1.5 litre petrol engine and has covered 42,150 miles, which is considered low mileage for its age. As a Black Edition model, it features distinct styling elements that set it apart from the standard range. The vehicle meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations for urban driving. The performance of this vehicle is notable, as it is capable of accelerating from 0 to 62 mph in 8.5 seconds, providing a responsive driving experience. Furthermore, the engine is designed with a focus on low CO2 emissions, which helps to balance efficient running costs with capable power delivery. These combined attributes make this particular Audi Q2 a practical choice for those seeking a modern, well maintained vehicle that offers a blend of efficiency and performance.
