Description

This 2022 Audi Q2 TFSI Sport stands out as a reliable choice, having been driven by only one owner from new. This Audi manufacturer approved vehicle has covered a very low mileage of 19,159 miles, ensuring it remains in excellent condition for its next driver. Under the bonnet, it features a 1.0 litre petrol engine that meets Euro 6 emission standards, providing a balanced performance suitable for both city driving and longer journeys. As a Sport trim model, it combines the practical design of the Q2 with the refined build quality expected from the brand. The vehicle offers impressive efficiency, achieving a fuel economy of 49 mpg, which helps to keep running costs manageable. Its low CO2 emissions further enhance its appeal, making it a sensible option for those looking to reduce their environmental impact without compromising on the driving experience. By combining these efficient running characteristics with the peace of mind that comes from manufacturer approval and a single owner history, this Q2 presents a practical and economical solution for modern motoring.
