Description

Available at Dundee Audi. This 2017 Audi Q2 TDI Sport is a reliable choice for your next vehicle, having been maintained by only two owners from new and benefitting from a 12 month warranty. This compact SUV features a 1.6 litre diesel engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. With a recorded mileage of 68,808 miles, this vehicle has been driven sparingly for its age and offers a practical balance of style and functionality within the Sport trim level. The vehicle stands out for its efficiency, offering an impressive fuel economy of 64 miles per gallon, which helps to keep running costs manageable. It is also positioned in a low insurance group and produces low CO2 emissions, making it a sensible and economical option compared to many other vehicles in its class. These attributes combine to provide a cost effective driving experience without compromising on the quality and build associated with the Audi brand.
