Description

This 2021 Audi A1 TFSI Sport is a well-maintained hatchback that combines reliability with a practical design. As an Audi manufacturer approved vehicle, it offers peace of mind regarding its condition and history. The car has covered 26,115 miles, which is a low mileage for its age, and it is powered by a 1.0 litre petrol engine that meets Euro 6 emission standards. The interior is designed for convenience, featuring a Bluetooth interface that allows for seamless connectivity while on the move. Practicality is a key strength of this model, as it offers a large boot space that provides more room for luggage and shopping than many other cars in its class. These features make the vehicle a sensible choice for those who need a compact car that does not compromise on storage or modern technology.
