Description

This 2019 Audi Q3 TDI S line is a well-maintained example of a premium SUV, currently showing 47,527 miles on the clock. As an Audi manufacturer approved vehicle, it offers peace of mind regarding its condition and history. This model is equipped with a 2.0-litre diesel engine and features a four-wheel drive system, ensuring it is prepared for a variety of driving conditions. It also meets Euro 6 emission standards, making it a compliant choice for modern driving requirements. The interior of this S line trim is designed with comfort and practicality in mind, featuring heated front seats and dual-zone electronic climate control to help maintain a pleasant cabin environment regardless of the weather outside. Beyond these comfort features, the vehicle offers a large boot space, which provides significant utility for carrying luggage or shopping compared to many other vehicles in its class. These practical elements combine to make this Audi Q3 a versatile and capable option for daily use.
