Description

Available at Dundee Audi. This 2018 Audi Q2 TFSI Sport is a well-maintained example of this popular compact SUV. As an Audi manufacturer approved vehicle, it comes with the added peace of mind of a 12-month warranty. The car has covered 36,963 miles, which is a very low mileage for its age, reflecting careful use by its previous owners. The vehicle is powered by a 1.0-litre petrol engine that meets Euro 6 emission standards, making it a practical choice for modern driving requirements. A key highlight of this model is its low CO2 emissions, which helps to keep running costs manageable compared to many other vehicles in its class. This combination of efficient engineering and the reassurance of manufacturer approval makes it a reliable option for those seeking a premium driving experience. A £500 Deposit Contribution is available when purchased on Finance through Audi Financial Services. Please ask for full details.
