Description

This 2022 Audi A1 TFSI Technik is a well-maintained hatchback that comes with the reassurance of being Audi manufacturer approved. Having had only one owner from new, this vehicle has covered 15968 miles, which is a very low mileage for its age. It is powered by a 1.0L petrol engine and meets the Euro 6 emission standards, making it a practical choice for modern driving requirements. The vehicle offers several practical benefits that make it a strong option in its class. It features a large boot space, providing ample room for luggage or shopping, which adds significant convenience for daily use. Furthermore, the engine is designed with low CO2 emissions, which helps to reduce the environmental impact of your journeys while maintaining efficient performance. These attributes combine to offer a reliable and sensible driving experience.
