Description

This 2021 Audi A3 TFSI Technik is a well-maintained example of a popular hatchback, having had only one owner from new. With a recorded mileage of 39,160 miles, this vehicle is considered to have low mileage for its age. As an Audi manufacturer approved vehicle, it offers additional peace of mind regarding its condition and history. The car is powered by a 1.5-litre petrol engine that meets Euro 6 emission standards, making it a suitable choice for modern driving requirements. The driving experience is supported by a capable 1.5-litre engine that allows the car to accelerate from 0 to 62mph in 8.7 seconds, providing responsive performance for daily commutes and longer journeys. Practicality is a key strength of this model, as it offers a large boot space that is well-suited for carrying luggage or shopping. Convenience is further enhanced by the inclusion of light and rain sensors, which automatically activate the headlights and wipers when conditions change. Additionally, the integrated Bluetooth interface allows for seamless connectivity, ensuring that staying in touch while on the road is straightforward and efficient.
