Description

This 2021 Audi A1 TFSI S line is a well-maintained hatchback that benefits from being an Audi manufacturer approved vehicle. It features a 1.0 litre petrol engine that meets Euro 6 emission standards, making it a compliant choice for modern driving requirements. With a recorded mileage of 34,582 miles, this example has covered a low distance for its age, reflecting its careful use. The vehicle is designed to balance practicality with performance, offering a large boot space that provides useful storage capacity for daily errands or longer trips. Drivers can enjoy a responsive experience, with the car capable of accelerating from 0 to 62 mph in 10.5 seconds. Inside, the cabin includes a Bluetooth interface, allowing for seamless connectivity while on the move. These combined attributes make the S line trim a capable and well-equipped option for those seeking a reliable compact car.
