Description

Available at Dundee Audi. This 2023 Audi A3 TFSIe S line is a modern plug-in hybrid that combines efficiency with the premium quality associated with the brand. As an Audi manufacturer approved vehicle, it offers peace of mind to its next driver, further supported by a 12-month warranty. This particular example has had only one owner from new, ensuring a well-maintained history for its next custodian. The vehicle is powered by a 1.4-litre petrol plug-in hybrid engine, which provides a balanced driving experience suitable for both city commutes and longer journeys. Being a Euro 6 emission class vehicle, it meets current environmental standards, making it a practical choice for those looking to reduce their impact on the road. The S line trim level adds a distinct level of refinement and equipment to the package, including full leather upholstery, ensuring that this model stands out as a sophisticated and well-rounded option within the competitive hatchback market. Call Dundee Audi to arrange a test drive or personalised video.

35 Harbour Road, Inverness, United Kingdom, IV1 1UA
