| Fuel Consumption | 60.1 milesPerGallon |

### Description

Available at Dundee Audi. This 2020 Audi Q2 TDI S line is a well-maintained example of a popular compact SUV. As an Audi manufacturer approved vehicle, it comes with the added peace of mind of a 12-month Audi Approved warranty. The car has covered 21,963 miles, which is a very low mileage for its age, and it is powered by a 1.6-litre diesel engine that meets Euro 6 emission standards. It benefits from a Technology Pack upgrade which includes Navigation system - High, Premium radio and Audi Phone Box. Additional specification includes Sports multifunction steering wheel with paddles, Audi Virtual Cockpit and 18 inch 5-spoke Y-style alloy wheels. The vehicle offers a practical balance of efficiency and convenience, achieving 46 mpg to help keep running costs manageable. It is also positioned in a low insurance group, making it a sensible choice for a wide range of drivers. Inside, the inclusion of the Technology Pack adds modern functionality, such as wireless phone charging, which ensures your devices remain powered during journeys. These features combine to offer a reliable and well-equipped driving experience. Call Dundee Audi to arrange a test drive or personalised video.

35 Harbour Road, Inverness, United Kingdom, IV1 1UA
