Description

At Dundee Audi. This 2020 Audi A4 TFSI S line is a well-maintained example of a popular saloon, finished in a striking Navarra Blue. As an Audi manufacturer approved vehicle, it offers peace of mind regarding its condition and history. The car has covered 36,182 miles, which is a very low mileage for its age, suggesting it has been used sparingly. It is powered by a 2.0-litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The S line trim level provides a refined driving experience, balancing comfort with a sporty aesthetic. One of the practical benefits of this specific model is its low insurance group rating, which can help reduce the overall cost of ownership compared to similar vehicles in its class. By combining the efficiency of the 2.0-litre engine with the prestige and build quality associated with the Audi brand, this A4 serves as a sensible and reliable choice for those seeking a premium saloon. We will pay £500 towards your finance deposit if purchased through Audi Finance, ask for details. Call DUndee Audi to arrange a test drive or personalised video.
